We Honor

MR. WILBUR KIRWAN

*"What greater or better gift can we offer the republic
than to teach and instruct our youth."*

Let's turn back the hands of time to September, 1951. We the class of '55 were Freshmen and our teacher for Social Studies 9 was likewise a newcomer to the school — a stranger then, a friend to all now. Through the years we've come to know him and respect him. As advisor of Senior Athletic Service he has spent many hours assisting and instructing in addition to the time and effort put into his every day classes. Because of his cheerfulness and willingness to help others, many students at Whitesboro have benefited. We the class of 1955 are very proud to dedicate this, our Chegaquatka, to Mr. Wilbur Kirwan in appreciation for all he has done for us.

Best of
luck to
wonderful teachers
me & hope it's been
just swell to be one of your
several Business students and I
hope I wasn't a pest all years. You've
helped me a lot in this subject and you've
encouraged me to continue in the study of
Business. I thank a lot for everything and I hope
I will have you in later years. Every student likes you
and many more well. God bless you and keep you through
you many, many more years of school and after retirement.
Blessed are they clean of heart, for they shall see God. I hope and
pray you do. I will end saying it's been wonderful and exciting
to be in your class and I hope I pass. I thank you. Best of
luck and God blesses. Love & Blessings

Our yearbook contains many extra curricular activities, but we have not forgotten the class work, which is so all important in our daily lives and will be so vital in choosing our future life's work. Class work is the backbone of our success and our future depends greatly upon how we handle it. Here is a glimpse of some Whitesboro students participating in some of their actual classes.

THE SENIORS

SENIOR OFFICERS — Left to right: Carol Friedel, Vice-President; Shirley Bethlehem, President; Donald Paprock, Treasurer; Barbara Branche, Secretary

Dear Diary:

I was just looking at one of my old yearbooks when suddenly I realized it's almost Graduation Eve!! Why, I can't believe that four years could have gone by so fast, and that I'm about to become an alumnus of W.C.S.

It seems like just yesterday we were "greenies" and starting the trials and tribulations of high school. What a shock it was when we met algebra and "David Copperfield" for the first time! That's when we realized what homework meant. I can remember so well the fun we had as a class that year and the fine job our officers did. Pat Deck was President, Sonia Essayian was Vice-President, Judy Garguilo was Secretary, and Barb Branche was Treasurer. We all worked so hard planning a Christmas party, but the weather was against us and we were all snowed in! We made up for it at our Frosh Frolic though, and all agreed it was well worth the struggle. To climax the year we had a wonderful picnic at Caroga Lake.

Then it was our Sophomore year. We elected Ronnie Newman as our President; Paul Czerkies, Vice-President; Joan Kwiecinski, Secretary; and Shirley Bethlehem, Treasurer. We abandoned poor David to turn our thoughts to "Silas Marner", and the wonders of amoebas and paramecium were opened to us. Once again the high point of the year was a big dance, this time the Soph Hop. To complete the year we had our class picnic at Caroga Lake, and everyone had a wonderful time!

Our Junior year! Why, that went even faster than the others. Let's see... Ronnie Draper was President that year, and Shirley Bethlehem was Vice-President. Joan Kwiecinski was again Secretary and Alan Janus was chosen Treasurer. What a thrill it was when we got our class rings! It was so wonderful to see our very own year, "1955", on them. That was the year we worked so hard selling chances so we could finance our Prom. Of course, we managed it and promptly elected Pat Deck and Dave Humphrey as co-chairmen, who in turn picked Marilyn Humphreys and Phil Miller to head the

art committee. We selected "South of the Border" as our theme and set to work transforming the gym into a Mexican scene. What fun it was making cacti out of paper maché, and our pink bull Christopher was just about tops too. But all good things must end, and we found ourselves out of the dreamland of Mexico and into the reality of regents and final exams. When the clouds cleared, we were on the way to our class picnic, once again to be held at Caroga Lake. That was when our class song was written, written on a lunch bag to be exact. That piece of paper must still grace somebody's collection of souvenirs!

Then, all too soon, we were launched on our last lap, the Senior year. For the last time we picked our class officers, this time choosing Shirley Bethlehem, President; Carol Friedel, Vice-President; Barb Branche, Secretary; and Don Paprock, Treasurer. In November we proudly presented our class play "Tish". I'll never forget the laughs that went along

with that! Carol Deck was wonderful as Tish, and everyone loved the reckless spinsters and the scrapes they got into. Then in the midst of learning the atomic theory and reading "Macbeth", we sold Christmas cards and magazine subscriptions to finance our yearbook and Senior Ball. In addition to our homework we had to fill out endless college applications and have interviews for jobs. Of course, we also ordered our calling cards, graduation announcements, and were measured for caps and gowns. All these things were signposts toward the finale, but it still didn't seem possible that we would be leaving W. C. S.

But now it's almost over. Our high school days are drawing to a close, and all that's left is our last set of final exams. Of course, it's a shame it has to end, but I must move aside and let a new Freshman take my place, for I wouldn't want anyone to miss all the fun I've had.

CHEGAQUATKA

Chega-Quat-Ka is Indian Language meaning Whitesboro, derived from one of the first settlers, Hugh White, who in 1784 burrowed into a bank to provide a foundation for his premanent home. Thus the origin of our yearbook title. The class of '37 was the first to have a yearbook, and at that time it was financed by the Board of Education. In 1943 the class supplied their own funds and this has been the common practice since. After much time and effort the class of '55 is proud to present its Chega-Quat-Ka.

WISP

Originating as The Main Street Echo, the WISP has been a magazine, a mimeographed paper, and what it is today, a monthly publication containing news and articles of interest to the faculty and the student body. The letters WISP stand for the words "Whitesboro inspires school pride." Student editors and a staff made up of people in grades nine through twelve, with the aid of faculty advisor, Mrs. Fitzgerald, edit and distribute the paper. Participation in WISP offers valuable experiences in newspaper writing, as well as the opportunity to serve the school.

SENIOR PLAY

Every class has its Senior Play, and the class of '55 was no exception. The actors and actresses worked hard for many weeks to present "Tish", by Alice Chadwicke, on November 19. The cast in order of appearance included:

Ellen Leighton.....	Kay Zobel
Charita.....	Rose Marie Urban
Sheriff Lem Pike.....	Daniel Ritz
Callie Hopkins.....	June Stevens
Luther Hopkins.....	Daniel Tobiasz
Charlie Sands.....	Alan Janus
Lizzie.....	Barbara Scholl
Aggie.....	Shirley Bethlehem
Letitia Carberry (Tish).....	Carol Deck
Bettina Trent.....	Geraldine Winston
Wesley Andrews.....	Paul Wheat
Denby Grimes.....	Ronald Newman
Dorice Gaylord.....	Sylvia Kowal

"Tish" is the story of three spinsters who, on a suggestion by "Tish", take a motor trip to the Southwest. From the time the three of them arrive at the Eagle Hotel, until a bandit is caught, a romance patched up, a villain deported, there is never a dull moment. Although everything works out, there is plenty of excitement for all.

Miss Dorothy Dey directed the play with the student help of Marion Lansing.

CLUB OFFICERS — First row: Fred Kronk, Bruce Burrows. Second row: Ray Kronk, Francis Houck, William Houck, Richard Thomas, James Gaudette, John Murray.

The Staging and Projection Club is student controlled and operated, with Mr. Kenneth Bailey as faculty sponsor. Membership is extended to any boy in grade seven through twelve who has the time and interest for visual aids work. Besides showing classroom films for teachers, these students aid in the operation of the school public address system. Upon request the club purchases new records monthly for the noon hour dancing program. Members operate the juke-box and provide operators and amplifying equipment for school dances.

Whitesboro Central confers no higher honor to any student than membership in this organization. Also taken in as honorary members were the Board of Education and Mr. Harold Forbes. This was done to show just a small bit of gratitude for their many hours of tireless work for the betterment of the school. The group is under the guidance of Mrs. Potter and Mr. Phillips.

While on duty one might be collecting admittance passes, checking out books, or locating overdue books. Members also straighten books on the shelves, find materials for teachers, and help in the choosing of new books. Nancy Powell is President of the club and Pauline Palczynski is Vice-President.

MONITORS ON DUTY

MONITOR SERVICE

Monitor Service is a new name but not a new organization. The group was formerly known as Senior Service, but it has retained the same activities. Members of the club serve the school in many ways. They are called upon to usher at certain social events such as the Palm Sunday and Spring Choral Concerts, baccalaureate, and graduation exercises. During the two noon lunch periods each day members have done a fine job keeping the halls orderly, so that classes are not unnecessarily disturbed. The counseling of Mr. Kenneth Bailey, faculty advisor, has helped the group to obtain a fine reputation.

First row: Marion Paine, Janet Stanek, Margaret White. Second row: Mary Schaffner, Barbara Branche, Barbara Frye, Helen Moore, Jean Kwiecinski, Barbara Kranz. Third row: Mr. Bailey, Sheila Ottenwalder, Joan Kwiecinski, Sonia Essayian, Janet Lyman, Betty Jones, Barbara Geddes. All agree that plus the valuable information they have acquired, they have had lots of fun.

Under the very capable direction of its President, Pat Deck, and its sponsor, Mrs. Mae Fulmer, the Secretarial Practice Club enjoyed a very successful year. The other officers chosen by the group were: Carolyn Cooney, Vice-President; Helen Moore, Secretary; and Elizabeth Skutnik, Treasurer. In this organization girls learn much more than just the fundamental procedures of the secretary. They gain a knowledge of such office equipment as the mimeograph and adding machines. They also do typing and duplicating work for teachers and the school. As a part of their program they held a banquet and went on two field trips.

As one of Whitesboro's newer student organizations, the F.T.A. has made astounding progress under the guidance of Mr. Jules Phillips. A tea for former and present teachers and a Christmas visit to the Old Ladies' Home in Utica were but two of their many projects. The purpose of F.T.A. is to further students' interests in teaching and to help them prepare for this career. This year's officers are: President, Agnes O'Grady; Vice-President, Jacqueline Ogden; Secretary, Carol Deck; and Treasurer, Ann McKelvey.

FUTURE FARMERS OF AMERICA

The Future Farmers of America, or F.F.A., is a national organization of boys studying vocational agriculture. Organized in November 1928, it provides further training in farmer-citizenship for boys between the ages of fourteen and twenty one. Improved agriculture, better local communities, a more satisfying farm home life, and more efficient farmer citizens are emerging as a result of the members' experiences. This Chapter, supervised by Mr. Waldrop and Mr. D'Amsey, has sent two members to Kansas City to attend the annual national convention. The Whitesboro group is likewise proud of its winning basketball team.

A big project undertaken by the boys this year was that of acquiring and redecorating a new clubhouse. Members worked hard but upon its completion all their time and effort proved to be worth while, as the atmosphere of their meetings became more enjoyable.

FOOTBALL

Whitesboro Central once again proved its competency on the gridiron with a successful '54 season, losing only two of its games. One loss was the closely fought tangle with U.F.A. in which Whitesboro came out a one point loser. One of the most memorable events of the fall was the Cortland game, played on the Cortland field under lights. Play was violently interrupted by the arrival of great winds caused by Hurricane Hazel, which made it necessary to stop the game. The team and Whitesboro spectators were forced to spend the night in the Cortland gymnasium while waiting for the news that they could travel safely back home.

Whitesboro's varsity basketball team ended the season with twelve wins and five losses, many of the games being decided by margins of only a few points. The Fryemen used the fast break this season, which seemed to work out quite well. Three members of the team, Roger Kane, William Miller and Harry Saville, will graduate this year, but next year should see plenty of experienced material on the court. High scorers this year were Bob Geraci with 206 points and Roger Kane with 170 points. The team scored 905 points during the season for an average of 53 points a game.

The training that the players receive on the J.V. team helps them to prepare for varsity work in the future.

The Girls' Athletic Association fosters the highest ideals of good sportsmanship and cooperates fully with the Physical Education Department in the promotion of athletic and social activities for all. Although it is in itself a select group of girls who have earned the honor of membership through active interest and participation, its main purposes are directed toward helping all girls in school who have an interest in and enjoy athletic activity. The organization provides speakers, sponsors field trips, and makes awards for worthy participation. It also acquaints new members with the various sports activities which not only improve them as spectators, but offer opportunities for participation all their lives.

ALMA MATER

Hail to thee! O Sons of Whitesboro,
We have a trust to keep;
The love of Whitesboro High School
And her high ideals to seek;
Loyalty is for the blue,
And the white means honor bright;
So we'll stand true forever
To the Royal Blue and White.

Through the four long years of high school,
'Midst the scenes we love so well;
We have struggled on and upward
'Till we've reached the goal ideal;
Whitesboro High, we'll ne'er forget you;
You have always loomed so bright,
And we'll all stand true forever
To the Royal Blue and White.

When we're launched on Life's great journey,
And we come to toil and care;
We will think of dear old Whitesboro
And the moral we've learned there;
We'll uphold her fine ideals,
And we'll represent the right —
Be right, be square, be true, be fair
To the Royal Blue and White.
